

EC/RSO ONLY STEEL MATCH

We are having a steel fun match for familiarization, or just plain fun for those who have not shot steel or just want to shoot it. It's a free fun match for EC members and Shongum RSO's only.

WHEN: May 15, 2021
WHERE: Shongum Pistol Pit

PLEASE PREREGISTER by sending your Name, handgun make/model, caliber and type of sights (iron or optic) to: ronaldg@optonline.net (Ron Gumann) by May 12. (We can accommodate two different guns/calibers if you wish to shoot them.)

INFO: We will preregister each shooter with their appropriate division prior to the match. We will use the Practiscore scoring program and post them on www.practiscore.com for results.

SIGN IN/REGISTRATION: 8:30AM to 9:30AM (We will be there by 8AM setting up)
Any walk ons may be accommodated if there by 9:15.
MATCH BRIEFING: 9:30AM Review of rules and commands to be used.
FIRST SHOT: 9:45AM, expect about three hours or so to complete depending on number of attendees.

FOUR STAGES: Two knock down steel and Two steel challenge type.

ROUND COUNT: Approximately five to ten rounds per stage, suggest you bring 75 to 100 rounds of ammunition, and two magazines.

SCORING: We will use a modified steel challenge scoring. Score will be total time for each stage and for all the stages shot. A miss or failure to shoot at will result in a 3 second penalty added to the time.

HANDGUN ONLY:

Center fire pistol, 38 spl/9mm or larger caliber
Semi auto or revolver is fine. (Single action revolver is acceptable, but not recommended.)

Rim fire pistol, 22LR. Knock down steel stages cannot be shot with a rim fire, but the two stages of steel challenge can be. If you want to shoot only a rim fire, you can.

MATCH INFO:

An (USPSA)RO will run each shooter at each stage.
Start will be a low ready start, no holster draw. Holster not needed.
A barrel or table will be at each stage.

When instructed by the (USPSA)RO you will unbag, load, shoot, show clear and bag gun before leaving the stage.

NO Gun shall be handled unless under supervision of an RO.

Magazines should be loaded in advance of coming to firing line.

Any reloads will come from barrel/table.

Only shooter and RO shall be at firing line. All others are to be behind shooting benches.
