President – Membership — Continued progress on catching up on membership backlog and transition to new cloud-based system. Greg and Daisy Forte have taken over Membership responsibilities starting this week. They have already made a significant impact on the backlog and day to day activities. The Wait List needs corrective work. For now, applications must be submitted on paper form. We are working to re-automate the application process.

President – Secretary — George will not be able to continue his roles next year. We welcome candidates to run for the Secretary/Tech position along with any other positions that are currently occupied.

President – Rental — We will soon have an opening for a new tenant.

Vice President – No Report. **Secretary** – No Report. **Shotgun** – No Report..

Rifle – Bill Murphy reported – We follow the CMP Cup Match rules. These High Power matches you'll need 50 rounds for the event plus any sighting rounds you use prior to the event. We suggest you bring a shooting mat for the prone segment. The concrete can really abrasive. The cost is \$7.00 for members, \$10.00 for non-members. The next event is August 25th, and starts at 10:00 AM, and finishes about Noon time. Please come a little early to help setup before the match can run.

Pistol – Jim Owings reported – Not a Pistol League topic, we use to have a 50/50 raffle at these club meetings. We would like a member to step forward and volunteer to run this. The Indoor Range maintains a 'Brass' barrel and a 'Steel & Aluminum ' barrel, We would like a member to come forward and periodically sort the material so it can be recycled properly and earn some cash back to the club.

Jim displayed the Empty Chamber Indicator (ECI) that every pistol should have when placed at rest on the shooting bench. These are available in the Clubhouse vending machine or directly from **Jim** for a dollar each.

Events – No Report. We recommend that members should check the website calendar to make sure the range is open before heading out.

Safety – No Report. **Juniors** – No Report.
NRA Training – No Report.

Hunting – Tom Hill reporting — If a member wants to hunt on the club property, they must attend a meeting. The next meeting, to outline what requirements and duties are needed is August 25th.

Pistol League — Nick Dewar & Thomas Stapleton reporting —

The Pistol League Shooting Programs are now shown on the Website under Activities, Pistol League, icon Upcoming Events.

We are currently shooting our Police “L” Practice for Harrisburg. This League will last until October 1st and is preparation for our annual trip the Harrisburg Hunters and Anglers to participate in the Walt Wise Memorial Pistol Match.

The second phase of our Waiting List Recruitment Program for the Pistol League is underway. We have contacted 13 Waiting List folks and have invited them to join us through our Prospective SSA Member process. We will report our results at the September Meeting.

Safety Item: Empty Chamber Indicators (ECIs) are required on all uncased firearms on the shooting benches and they must be pointed down range..

We continue to extend an open invitation to club members to join us on Tuesday nights. Please call **Tom Stapleton at 908-852-3901** for information on how to become a League Member.

Cowboy Action – No Report

USPSA – Ron Gumann reported that the July event went very well, with many shooters. Remember, USPSA shoots the 1st Saturday of the month, Next match September 7th.

Ladies Taking Aim (Woman’s League) – Elizabeth M. reporting: Anyone interested is encouraged to attend, the event is the last Wednesday of the month, the phone number is listed in the minutes, and the E Mail address is **womensleague@shongum.org**.

Black Powder – Rich G. reporting for Stephen — Black Powder meets the second Sunday of the month from 10 am until 1 pm. All are welcome with or without a Black Powder firearm.

Last month, we had a light turnout due to vacations, but we still managed to have a good time.

Thanks to the club members who replaced the 100 yd target mounts. We subsequently replaced our 2x4 frame holders.

Next, we will be reconfiguring our plate arrangement for a more universal appeal.

So come on down, and smoke them if you got them.

KYPD – Stephen

Good & Welfare:

Speaking of The Olympics, with the many shooting events taking place, there were zero events televised.

ANJRPC maintains a nice range in Highland Lakes, like 200 & 300 yard rifle ranges. The newsletter always has a list of gun shows and events happening in the NY, PA and NJ area.

Will Jones noted that the Forks of the Delaware Historical Arms Society has a show @ the Aggie Hall in Allentown on October 19 & 20. The next club meeting is the 3rd Sunday of the month, September 15th, in the Easton, PA firehouse.

Will Jones offered to assist anyone who has a firearm with ‘rare’ ammunition loadings. Will has reloaded cartridges for just about anything and everything. He has admitted to having a lead mold for just about every projectile. Please ask for assistance.

Meeting adjourned @ 8:19 PM
